

PIZZA CLUB & MAX OUTLET — ALLERGEN TABLE MATRIX

ALLERGEN GUIDE & INFORMATION LEGEND

E = Exists: Based on information from our suppliers, the listed allergen is present in the product as an ingredient, food additive or processing aid.

TR = Trace: Based on information from our suppliers, the listed allergen is stored at or used to manufacture other items at the site where the product (or one of its ingredients) is produced.

Dash (-) : Indicates that the supplier has reported no presence or traces of the listed allergen.

If you have a particular sensitivity to specific foods or ingredients, or if you have any other food allergies, intolerances or specific religious/ethnic or other dietary requirements, we strongly recommend that you contact stores. Our pizza base contains wheat products, milk products and soya.

Please be aware that despite our best efforts there is always a risk of cross-contamination during processing, storage and preparation in stores. For these reasons we cannot 100% guarantee that our pizzas and other products are gluten and/or allergen free. "Gluten Free" pizzas are better suited to consume for lifestyle purposes and not for medical reasons. Pizza Club & MAX will not accept any liability for any costs and other related charges whatsoever, for products sold through all our Pizza Club & MAX stores.

ATTENTION: Items featuring red text/markers indicate special ingredients or properties available at specific outlets.
